11 CAROLINA DIAZ,

12                   Plaintiff(s),

13                   v.

14 G. DAVID RICHARDSON, et al.,

15                   Defendant(s).

Case No.: 2:17-cv-02246-JCM-VCF

**Order**

16                   An early neutral evaluation is currently set for June 17, 2019. *See* Docket No. 33. An  
17 evaluating magistrate judge may *sua sponte* exempt a case from the early neutral evaluation  
18 process. Local Rule 16-6(c). Having reviewed the parties' settlement statements and in light of  
19 their competing representations regarding their respective settlement positions, holding an early  
20 neutral evaluation in this case would be futile. Accordingly, the early neutral evaluation is  
21 **VACATED** and this case returns to the normal litigation track.

22                   IT IS SO ORDERED.
